

EMERGENCY MEDICAL AID PROCESS

***In the event of a medical emergency, just dial 000
(triple zero)***

- **Quote your address as follows –**
 - **Unit Number**
 - **Waves**
 - **17-23 Marine Parade, Redcliffe**

Ambulance staff will have direct access to the front door of your apartment via the ground floor car park ramp and respective lift. Whomever has called the ambulance – i.e. yourself, a friend or neighbour – will then be able to facilitate their entry into your apartment.

Should the Sutton Street address be given, the access information will not appear correctly for Queensland Ambulance Service drivers and confusion may ensue.
